

# Travel Trade information

Welcome to Falu Gruva

Falun Mine is a place with a thousand years of history and today a destination for all ages. Join us on a trip underground where you can see the traces of hundreds of years of mining - large halls, winding passages, and deep shafts. Above ground, you can see the Great Pit and historic red buildings around.

Museum

The Mine museum has varying opening hours during the year, but we offer visits of the museum on request.

*1 May-30 September*

Open daily

*1 October-30 April*

Saturday-Sunday 11.00-16.00

*Closed on Midsummer's Eve, Christmas Eve, Christmas Day, New Year's Eve, and New Year's Day.*

## Facts

Falu Gruva, Gruvplatsen 1, 791 61 Falun +46-(0)23-78 20 30

Falun Mine is located approximately one kilometer from the train station (15 minute walk through the old miner's district Elsborg)

Parking:

Bus parking: yes, no fee. Bus parking located 50 m from the visitors centre.

Car parking: yes, own parking (fee 1 Jun- 31 Aug)

Electric car chargers: four chargers (slow chargers)

Toilets: 4 toilets and 1 disabled toilet in the visitor centre, toilet and disabled toilet in the museum

Accessibility: the guided tour in the mine is not accessible, but many other areas above ground are. We have several historical buildings in the area that are accessible. The Mine museum is accessible with a ramp and a lift.

In the museum's film room, a 30-minute film is shown, supposed to replace a guided tour underground.

The lunch restaurant Geschwornergården has an entrance ramp.
